MEMORANDUM FOR: All Branch Chiefs

SUBJECT: OSD/Commo Personnel

1. As a result of the decision to place the Commo Division administratively completely under OSD, all communications slots now appearing on your Tables of Organization are being transferred to OSD.

2. All Commo personnel employed against such slots are being transferred to OSD, and the transfer process will be complete within 30 days.

3. In this connection, the "Commo personnel" classification indicates those who have full time communications duties. Personnel whose duties are divided, i.e. secretary-code clerk, are not considered Commo personnel and must appear against the Branch T.O.

4. I will render any assistance necessary to bring your Branch T.O. up to date in this respect.
